$50,000 (or such higher dollar amount as the Secretary may prescribe).

“(b) SPECIFIED FOREIGN FINANCIAL ASSETS.—For purposes of this section, the term ‘specified foreign financial asset’ means—

“(1) any financial account (as defined in section 1471(d)(2)) maintained by a foreign financial institution (as defined in section 1471(d)(4)), and

Subtitle C—Tax Expenditure Study

SEC. 621. FINDINGS.

Congress finds the following:

(1) Currently, the aggregate cost of Federal tax expenditures rivals, or even exceeds, the amount of total Federal discretionary spending.

(2) Given the escalating public debt, a critical examination of this use of taxpayer dollars is essential.

(3) Additionally, tax expenditures can complicate the Internal Revenue Code of 1986 for taxpayers and complicate tax administration for the Internal Revenue Service.
(4) To facilitate a better understanding of tax expenditures in the future, it is constructive for legislation extending these provisions to include a study of such provisions.

SEC. 622. STUDY OF EXTENDED TAX EXPENDITURES.

(a) In general.—Not later than November 30, 2010, the Chief of Staff of the Joint Committee on Taxation, in consultation with the Comptroller General of the United States, shall submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate a report on each tax expenditure (as defined in section 3(3) of the Congressional Budget Impoundment Control Act of 1974 (2 U.S.C. 622(3)) extended by this Act.

(b) Rolling submission of reports.—The Chief of Staff of the Joint Committee on Taxation shall initially submit the reports for each such tax expenditure enacted in subtitle B of title I (relating to business tax relief) and title IV (relating to energy provisions) in order of the tax expenditure incurring the least aggregate cost to the greatest aggregate cost (determined by reference to the cost estimate of this Act by the Joint Committee on Taxation). Thereafter, such reports may be submitted in such order as the Chief of Staff determines appropriate.
(c) CONTENTS OF REPORT.—Such reports shall contain the following:

(1) An explanation of the tax expenditure and any relevant economic, social, or other context under which it was first enacted.

(2) A description of the intended purpose of the tax expenditure.

(3) An analysis of the overall success of the tax expenditure in achieving such purpose, and evidence supporting such analysis.

(4) An analysis of the extent to which further extending the tax expenditure, or making it permanent, would contribute to achieving such purpose.

(5) A description of the direct and indirect beneficiaries of the tax expenditure, including identifying any unintended beneficiaries.

(6) An analysis of whether the tax expenditure is the most cost-effective method for achieving the purpose for which it was intended, and a description of any more cost-effective methods through which such purpose could be accomplished.

(7) A description of any unintended effects of the tax expenditure that are useful in understanding the tax expenditure’s overall value.
(8) An analysis of how the tax expenditure could be modified to better achieve its original purpose.

(9) A brief description of any interactions (actual or potential) with other tax expenditures or direct spending programs in the same or related budget function worthy of further study.

(10) A description of any unavailable information the staff of the Joint Committee on Taxation may need to complete a more thorough examination and analysis of the tax expenditure, and what must be done to make such information available.

(d) MINIMUM ANALYSIS BY DEADLINE.—In the event the Chief of Staff of the Joint Committee on Taxation concludes it will not be feasible to complete all reports by the date specified in subsection (a), at a minimum, the reports for each tax expenditure enacted in subtitle B of title I (relating to business tax relief) and title IV (relating to energy provisions) shall be completed by such date.
